

## **General Practice Treatment Room Nurse**

**37.5 hours (Job share applications will be considered)**

**Band 5 / 6 – Competitive salary (dependent on experience)**

Chew Medical Practice has an exciting opportunity for a motivated and enthusiastic band 5 / 6 Nurse to join our busy and friendly general practice team. The position would be suitable for a newly qualified nurse or experienced nurse looking to develop their skills within primary care.

We are looking for a registered Nurse, who can work independently and as part of a team, who has good communication and organisation skills.

You would be working as part of a multidisciplinary team delivering outstanding, patient centred care. Duties would include, wound care and dressings, cervical smears, injections and immunisations, ECGs, phlebotomy, urinalysis and lifestyle advice.

Chew Medical Practice are committed to providing accessible, high-quality care to our 10,500 patients. Situated in the heart of the beautiful Chew Valley, but are conveniently only 13 miles from Bristol and Bath, both of which are easily commutable.

We aim to be at the forefront of modern general practice, offering a wide range of services and facilities conveniently located for most of our patients. As a rural practice, we recognise the importance of local provision, and it is our intention whenever possible to bring opportunities for treatment, awareness and support into our community. Our patients have excellent access with generally short wait times, and we are proud to consistently score excellently on patient satisfaction surveys and all clinical indicators.

If you have the skills and ambition to join our team, helping us to face the challenges of modern-day primary care we look forward to welcoming you and can offer:

- Great clinical and admin support
- Opportunity for development
- NHS Pension Scheme membership

If interested, we would love to hear from you.
